

## Mr Mike Halliday

---

Executive Vice President  
BSc (Pharm), MRPharmS, PGDip

Mike graduated in Pharmacy from the Queen's University of Belfast in 1980.

He has gained extensive pharmaceutical manufacturing management and QA experience over 20 years working for three major international pharmaceutical manufacturers, culminating in the post of Associate Director, Global Audit and Compliance for Wyeth Europa. Mike joined NSF in 2003.

He has broad experience in the manufacturing management and QA of a wide range of sterile and non-sterile dosage forms and is fully conversant with current EU and FDA GMP regulations and requirements. He has extensive experience in international QA auditing of a wide range of pharmaceutical manufacturers and specialist distributors in Europe, Middle East, America and Asia Pacific.

Mike is eligible to act as a Qualified Person and is an honorary lecturer at the University of Strathclyde.

Mike is responsible for our IRCA certified Pharmaceutical GMP Auditing Training and is an IRCA Certificated Principle Auditor.

Areas of recognised expertise include

- QP Training
- Packaging and Labelling Control
- GMP Legislation
- API Manufacture and Control
- Auditing and Self-Inspection skills – Education of Auditors
- Supply Chain Distribution
